Highlights

Formaldehyde removal filter
The extra-capacity formaldehyde removal filter cleans air of harmful agents and is ultra-effective in formaldehyde removal. With German technology and specially treated activated carbon, it cleans the air of formaldehyde and other harmful gases in no time.

Healthy air protect alert
Healthy air protect alert gives you a timely warning when to replace the filter. When the filter is not replaced in time, the appliance stops functioning to avoid running with no effect since filter is full. It is your assurance of healthy air always.
